To Whom it May Concern:

It gives me great pleasure to offer this letter of recommendation on behalf of David López.

I have had the pleasure of knowing David for the past couple of months in my Spanish I class. I find David to have a strong work ethic. David adheres to high ethical standards as well.

In school, he has demonstrated that he is driven, motivated and determined to take advantage of all the opportunities that come his way. David a self starter. He easily generates ideas and puts them in motion. David has good leadership qualities. I must mention, he treats everyone with respect.

He speaks and writes Spanish fluently. I am sure this can be a very useful skill in the workforce.

I enthusiastically recommend David for the position he is currently pursuing. I am confident he will serve his employer with distinction.

Sincerely ,
